⁶ 150% Completion Rate

The number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation

⁷ Graduates Available for Employment

The number of graduates minus the number of graduates unavailable for employment

⁸ Graduates Unavailable for Employment

The graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution

⁹ Graduates Employed in the Field

Graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program

¹⁰ Placement Rate Employed in the Field

Calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment

¹¹ Salary

As reported by the graduate or graduate's employer

¹² No Salary Information Reported

The number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

The graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution

⁹ Graduates Employed in the Field

Graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six month period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program

¹⁰ Placement Rate Employed in the Field

Calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment

¹¹ Salary

As reported by the graduate or graduate's employer

¹² No Salary Information Reported

The number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information

Cost of Educational Program

Total Charges for the program for students completing on-time in year of 2015: n/a
 Total Charges may be higher for students that do not complete on-time.

Student's Initials _____ Date _____ Initial only after you have had sufficient time to read and understand the information.

Federal Aid

Students at General Assembly are not eligible for federal student loans. The U.S. Department of Education has determined that this institution does not meet the criteria that would allow its students to participate in federal aid programs.
