

Prerequisites, training, & assessment modalities for online paths

Prerequisites

- This is a beginner-friendly bootcamp (no prerequisites).
- A good level of language proficiency is recommended (for non-native speakers, a CEFR level of B1–B2 or a TOEFL score of 90).
- Access to a laptop (PC or Mac). It must be no more than four-years old and able to run the most recent operating system.
- Good access to the internet is required.

Training modalities

- Learning paths with a sequence of interactive modules featuring videos, quizzes, and case studies.
- Assessments to measure proficiency.
- Downloadable PDF study guides.

Assessment modalities

To validate training, participants are required to:

- Complete assessments.
- Complete all modules in their learning path.
